

Complaints Procedures

Safeguarding and Welfare Requirement: Information and Records

Providers must put in place a written procedure for dealing with concerns and complaints from parents and/or carers, and must keep a written record of any complaints, and their outcome.

Working in Partnership with Parents and Other Agencies

First Steps Pre-school aims to provide the highest quality education and care for all our children. We aim to offer a warm welcome to each individual child and family and to provide a warm and caring environment within which all children can learn and develop as they play. First Steps Pre-school believes that children and parents/ carers are entitled to expect courtesy and prompt, careful attention to their needs and wishes. We welcome suggestions on how to improve our pre-school and will give prompt and serious attention to any concerns about the running of the pre-school. We anticipate that most concerns will be resolved quickly by an informal approach to the appropriate member of staff. If this does not achieve the desired result, we have a set of procedures for dealing with concerns. We aim to bring all concerns about the running of the setting to a satisfactory conclusion for all of the parties involved.

Procedures

To achieve this, we operate the following complaints procedure.

Our Complaints Policy is available via our webpage or upon request. All settings are required to keep a written record of any complaints that reach stage two and above, and their outcome. This is to be made available to parents, as well as to Ofsted inspectors on request. A full procedure is set out in the *Complaint Investigation Record* which acts as a summary log for this purpose.

Where parents/carers are not satisfied that their child is receiving the free entitlement in the correct way (as set out in the funding agreement and in Early Education and Childcare Statutory guidance for local authorities), a complaint can be submitted directly to Becky Russell.

Parents/Carers

- If a parent is unhappy about any aspect of their child's care or how he/she feels he/she has been treated, this should be discussed with the child's key person. The key person will listen to the parent and acknowledge what he/she is unhappy about. The key person will offer an explanation and an apology if appropriate. The issue and how it was resolved is recorded in the child's file and Complaint Investigation Record. The recording will also make clear whether the issue being raised relates to a concern about quality of the service or practice, or a complaint. For allegations relating to serious harm to a child caused by a member of staff or volunteer procedure 6.2 Allegations against staff, volunteers or agency staff will be followed.
- If the parent is not happy with the key person's response or wishes to complain about the key person or any other member of staff, he/she will be directed to the setting manager. Some parents

will want to make a written complaint; others will prefer to make it verbally, in which case the setting manager writes down the main issues of the complaint using the Complaint Investigation Record and keeps it in the child's file.

- The setting manager will investigate the complaint and provide time to feedback to the parent within 28 days. A confidential written report of the investigation is kept in the child's file if the complaint relates directly to a child.
- If the parent is still not satisfied, or if the complaint is about the setting manager, the setting manager is asked to forward their complaint verbally or in writing to their line manager.
- If the parent is still not satisfied, then he/she is entitled to appeal the outcome verbally or in writing to the setting manager's line manager who will pass the matter on to FoL trustees/Nominated Individual for further investigation, who will respond to the parent within a further 14 days.
- If the complainant believes that the matter has not been resolved and there has been a breach of the EYFS requirements they are entitled to make a complaint to Ofsted. The manager will assist in any complaint investigation as well as in producing documentation that records the steps that were taken in response to the original complaint.
- The setting manager ensures that parents know they can complain to Ofsted by telephone or in writing at any time as follows:

Applications, Regulatory and Contact (ARC) Team, Ofsted, Piccadilly Gate, Store Street, Manchester M1 2WD or telephone: 0300 123 1231

- If a child appears to be at risk, we follow the procedures of the Local Safeguarding Children Board.
- In these cases, both the parent and setting are informed and the supervisor works with Ofsted or the Local Safeguarding Children Board to ensure a proper investigation of the complaint, followed by appropriate action.
- The Information Commissioner's Office (ICO) can be contacted if you have made a complaint about the way your data is being handled and remain dissatisfied after raising your concern with us. For further information about how we handle your data, please refer to the Privacy Notice given to you when you registered your child at [our/my] setting. The ICO can be contacted at Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF or ico.org.uk

Agencies

- If an individual from another agency wishes to make a formal complaint about a member of staff or any practice of the setting, it should be made in writing to the setting manager.
- The complaint is acknowledged in writing within 10 days of receiving it.
- The setting manager investigates the matter and meets with the individual to discuss the matter further within 28 days of the complaint being received.
- An agreement needs to be reached to resolve the matter.
- If agreement is not reached, the complainant may write to the setting manager's line manager, who acknowledges the complaint within 5 days and reports back within 14 days.

If the complainant is not satisfied with the outcome of the investigation, they are entitled to appeal and are referred to the owners/directors/trustees.

Ofsted complaints record

- Legislation requires settings to keep a record of complaints and disclose these to Ofsted at inspection, or if requested by Ofsted at any other time.
- The record of complaints is a summative record only.

A record of complaints will be kept for at least 3 years.

- In all cases where a complaint is upheld a review will be undertaken by the Nominated Individual/ Management Team/ FoL trustees to look for ways to improve practice where it is required.
